

Hello Georgia Radiological Society Members,

This year's annual meeting will take place **June 7-9, 2019 at the King and Prince**. Please take a moment to review information about hotel accommodations.

The **King and Prince Beach & Golf Resort on St. Simons Island, Georgia**, offers a wonderful choice of gracious guest accommodations in many distinctive settings including the historic main building. We recommend reviewing the accommodations section of the hotel website ([www.kingandprince.com](http://www.kingandprince.com)) to help you select the room that would best suit you. Special group rates are available. Call The King and Prince reservation desk at 1-800-342-0212 or visit the group reservations webpage (<https://reservations.travelclick.com/104020?groupID=2108706>) to reserve your room.

*From the King and Prince:*

*We recently instituted a resort fee for the hotel. Attendees with your event are exempt from this fee; however, there is not a way for us to remove the fee from the online booking process at this time. So, the confirmation that pops up upon completing the booking via the group page will have the fee factored into the total. We do send out confirmation emails from our main on-site reservation system to all reservations as well though and this confirmation will reflect the proper total for the guest's stay excluding that additional \$21.40/night. Hopefully this does not become too confusing for your guests. But we are happy to field any questions if it does.*
