SECTION VII --COMMITTEES

21. Young Professionals Section (YPS)

The purpose of this committee is to provide Young Professionals in Radiology, Radiation Oncology and Medical Physics in Georgia a unified voice; to increase participation in the College and the Chapter; to foster the development of new leaders; to promote the interchange of information; to coordinate organization of events for YPS members and to provide a mechanism for input and involvement by Young Professionals in the educational, socioeconomic, and policy-making functions of the Chapter. The Young Professional Section (YPS) shall be comprised of members who have completed training and are under the age of 40 or within the first eight years of practice.

The YPS may elect a president, vice president, and secretary-treasurer. The YPS may also create sub-committees as needed to carry out its mission. These subcommittees should not duplicate the functions of the Chapter committees. Nominations for YPS Committee Chair officers will be taken at the Chapter Annual Meeting. Elections will take place at the Chapter Annual Meeting, via email or conference call. All of the officers shall serve a term of 2 years beginning July 1st following their election.

YPS officers and general YPS members will be encouraged to attend the ACR Annual Meeting. The YPS activities shall be financed in accordance with the policies established by the Chapter or at the discretion of the Board. The YPS may acquire additional funding from members or outside sources as needed. The YPS may adopt its own bylaws.
