

Georgia Radiological Society Members,

This year's annual meeting will take place **May 17-19, 2024 at the Westin Jekyll Island Beach Resort.**

The **Westin Jekyll Island**, offers a wonderful choice of gracious guest accommodations in many distinctive settings including stunning ocean views. We recommend reviewing the accommodations section of the hotel website ( <https://www.marriott.com/en-us/hotels/bgkwi-the-westin-jekyll-island/rooms/> ) to help you select the room that would best suit you. The special group rates for our meeting attendees are \$249 per night for an island view room, \$259 per night for a partial ocean view room, and \$269 per night for an ocean view room (exclusive of taxes/resort fees of \$20).

The GRS education committee has selected an excellent series of CME lectures for the weekend incorporating lecture topics across specialties as well as including topics in financial planning from feedback at previous meetings. After the daily sessions, enjoy the 20 miles of bike paths, running trails, nearby world class golfing, or just enjoy the Georgia coast!

**Our room block may sell out prior to the meeting!**
